FJFilter

R25T Fuel Filter Water Separator 10 Micron for 245R Diesel Engine - Datasheet

SKU: FJ-R25T-ZH1
MOQ: 1 unit(s)
Reference price: USD 45.99

Specification	Value
Part Number	R25T
Type	Fuel filter water separator assembly
Micron Rating	10 micron
Filtration	98% efficiency repelling water and solid contaminants
Flow Rate	45 gph (170 L/h)
Notes	Maximum operating pressure 30 psi
Thread Size	1 inch-14 UNF centre thread (filter)
Connection	Inlet and outlet M14 x 1.5
Overall Height	265 mm (10.44 in)
Includes	Clear nylon collection bowl with self-venting drain
Contents	1 filter assembly with clear collection bowl
Application	245R series diesel engines, 2007 to 2009 Ram 6.7L Cummins applications
